

LIGHT DUTY RACK SHELVES

The Kendall Howard Light Duty Rack Shelves are constructed of top grade US steel. The Light Duty Rack Shelves come in both solid and vented to maintain proper circulation in your racks and cabinets. Rated to hold up to 45 lbs., this rack shelf is perfect for supporting monitors, switches and other lightweight network or A/V equipment.

- Low cost light duty shelf
- 45 lb. weight capacity
- 6" or 12" deep
- 19" EIA 310-D compliant
- Made in the USA
- Limited Lifetime Warranty

FEATURES

Two-Point Mounting - Cantilever or two-point rack shelf is perfect for use in two-post racks, wall mount racks, and cabinets.

Easy to Install - Each U space features four mounting holes. These mounting holes can be mounted with rack screws (and cage nuts if needed) to easily install in tapped or cage nut style mounting rails.

Rounded Corners - Rounded corners reduce the risk of damage to your devices, cabling, and/or hands.

Ventilation - Vented base prevents hot spots and allows air flow to freely circulate throughout the rack or cabinet. (Feature only applies to LDRS1U12V and LDRS1U6V)
