

LIGHT DUTY COMPONENT SHELVES

AMERICAN
MADE 

Kendall Howard offers the most diverse line of rackmount component shelves, including the LINIER[®] Economy Rack Shelves. This line of component shelves features our value line shelves, which were all designed to accommodate any standard 19" rack. Within this series of light duty component shelves, styles are available with vented bases to allow air to circulate around your network equipment. Each of these dependable LINIER[®] Economy Rack Shelves are capable of holding up to five times their weight.

- Low cost light duty shelf
- 25 lb. weight capacity
- 12" or 14.75" deep
- 19" EIA 310-D compliant
- Made in the USA
- 5-Year Limited Warranty

FEATURES

Two-Point Mounting - Cantilever or two-point rack shelf is perfect for use in two-post racks, wall mount racks, and cabinets.

Easy to Install - Each U space features four mounting holes. These mounting holes can be mounted with rack screws (and cage nuts if needed) to easily install in tapped or cage nut style mounting rails.

Rounded Corners - Rounded corners reduce the risk of damage to your devices, cabling, and/or hands.

Ventilation - Vented base prevents hot spots and allows air flow to freely circulate throughout the rack or cabinet. (Feature only applies to 3000-1-102-02 and 3000-1-103-02)
